# CLASS HISTORY

Our class, Seniors and graduating? Impossible! The past four years that seemed to drag so slowly actually flew before our eyes. Now, during the few remaining weeks of our senior year, we should look back on the events that have shaped our high school years.

In 1968 we terrorized the PRHS halls as very fresh freshman. Our young leaders were Jon Grefsrud, Jane Westby, Gary Hoadley, and Rick Bakken. This same year we followed our undefeated basketball team to the Region 6 Finals. What an introduction to High School!

Each year the responsibilities increased. We picked Alice Peterson, Karla Peterson, Jon Grefsrud and Bob Michels as representatives in the 1969 Homecoming Court. Our officers were Carla Seifert, Julie Hauger, Karla Peterson, and Jon Grefsrud, who helped us with serving at Prom and decorating for graduation. But our busiest year was yet to come.

Our Junior year was both difficult and exciting. In the fall we launched a record-breaking magazine sales drive. Homecoming brought Alice Peterson, Carla Seifert, Robin Bakken, and Wayne Ripley representing the Class of 1972. An all-school musical, Finian's Rainbow, involved many of us. And a gorgeous Prom, 'Arrivederci Roma', was the result of months of planning. Fred Lokken was the big man behind the Junior machine, with Terry Engebretson, Wayne Ripley, and Bob Miner pushing him. As Juniors we picked our class rings, and our play "Down to Earth" was a great success.

Now we look back on our Senior year. We became the first Seniors in the new school. Queen Alice Peterson reigned over a memorable Homecoming and rode on our second place float. Her royal court included Carla Seifert, Terry Engebretson, Jon Grefsrud, Bob Miner, Robin Bakken, and Wayne Ripley. We attended many sports events, realizing that our seniors were playing, wrestling, performing, cheering, and running the last time for PRHS. Bob Miner, Vicki Johnson, Brad Arntson, and Rick Bakken led us through our final year.

We find now that we have grown up these past four years. But somehow we don't feel ready to leave. We have so many paths to discover and follow. And now, we, the Class of 1972, thank everyone who has helped us through the past years; our teachers, advisors, counselors, family; but most of all our friends. We know that PRHS has been an exciting and great experience for all of us.
